

Australian Professional Skills Institute

Australian Professional Skills Institute is a Western Australian based Registered Training Organisation providing specialist skills training courses and educational services to domestic Australian and International students.

Australian Professional Skills Institute's main campus is in Wellington Fair in East Perth which is just minutes' walk to Perth city and close to all public transportation.

APSI is approved by the Department of Training and Workforce Development to deliver government funded training programs in Aged Care, Home and Community Care and Disabilities. As DTWD's preferred training provider, Australian students can get access to government funded training programs to get employment in the related fields.

Over 90% of APSI's Aged Care students get employment in the industry within 1 month after their graduation.
