

## **TPG TRAINING**

The Pursuits Group undertook a strategic review in November 2013 and it was decided to form a new company purely devoted to training. The new company is TPG Training Pty Ltd. The new company has the same ethos of training people so they are “job ready”.

### **The mission of TPG Training is to provide training services which are:**

Responsive to the needs of jobseekers wishing to provide high level health, aged care and social assistance and develop a career in the health and social assistance industry.

Supportive to learners who are either long term unemployed, from a cultural or linguistic background (CALD) or who have limited language, literacy and numeracy (LLN) skills.

We currently provide the CHC30212 Certificate III in Aged Care. Our course is designed for people who are from a CALD background and has a particular emphasis on strengthening a learner’s LLN skills.
