Imagine escaping to a luxury hotel....now imagine staying forever.

Toccata stands as Finbar's 60th residential development in Western Australia and possesses the definitive hallmarks of such extensive experience: spacious, intuitively-designed floor plans, luxurious fixtures, fittings and facilities, as well as a highly desirable and exclusive address.

With Toccata, Finbar has seized the opportunity to take their reputation for exceptional quality to even greater heights, showcasing incredible design flair, smart functionality and alluring attention to detail. Such refined residential living is the product of Finbar's in depth market knowledge, established industry relationships and a deep understanding of how apartment owners love to live.

Following on from the success of Adagio apartments, Toccata is the second apartment complex to be released within Finbar's prestigious Symphony City development, a name inspired by the sites famous past as a home of the ABC and more recently to the WA Symphony Orchestra. Toccata is set to become Perth's quintessential riverside development.

Situated at the exclusive address of 88 Terrace Rd, East Perth, Toccata captures one of the last remaining waterfront sites along Perth City's prestigious Terrace Rd, facing the picturesque Swan River. Toccata sees residential craftsmanship, style and sophistication like that of the world's finest boutique hotels.

From plush interiors and high end fixtures and fittings to breathtaking views. Toccata's 45 apartments leave nothing to be desired. Opting for quality over quantity, Toccata's small number of residence ensure optimum privacy, space and exclusivity, plus ample opportunity to indulge in Toccata's resort style luxuries including a deluxe pool, spa like sauna, gymnasium, BBQ area, games room and private residents lounge.

Your luxurious riverside retreat places you just minutes from the world class shopping, entertainment, arts and culture that now define Perth City's exciting resurgence.

Toccata offers a lifestyle of luxury, where refinement, style and elegance are found at every turn. Such grandeur has been crafted through consummate attention to detail, blending five star innovations with lavish interior design. Decadent space and privacy is also guaranteed with just two apartments occupying each level.

Befitting of its location, Toccata's sophisticated attributes include prefinished engineered timber flooring, Miele appliances, reconstituted stone bench-tops, glass splash backs and Everpure water filter systems. Added touches of luxury include remote controlled motorised translucent blinds, spa bath to master ensuite, Hans Grohe designer fixtures to wet areas and quality ducted reverse cycle air conditioning.

Security is also paramount. Toccata possesses premium protection in the form of camera security surveillance, keyless electronic entry to ground floor lobbies and apartment front doors plus remote control driveway gates and video intercom.

Toccata resides in the city of Perth amongst premier landmarks including the Swan River, Bell Tower and future Elizabeth Quays waterfront development. All around you, a symphony of arts, music and culture play out virtually every day of the year, with an enticing program of events on offer at the many theatres, galleries and festivals located close by.

Watch the boats amble by over coffee at the Barrack Street Jetty and Claisebrook Cove, feast on a gourmet picnic at Kings Park and the Supreme Court Gardens; enjoy a game at the WACA or indulge in first class entertainment, fine dining and perhaps even a flutter at Crown Perth.

Furthermore enriching your city oasis is Perth's vast array of restaurants, cafes and bars, or unleash your inner chef with an incredible choice of fresh produce at nearby food stores.

Toccata's central location gives its residents beautiful freedom of movement. The Underground Esplanade Train Station, Wellington Bus Station, free CAT buses, Transperth Ferry and Perth's master planned cycle/pedestrian paths make it effortless to travel for work or pleasure.
