

2 Caldwell Parkway Haynes, WA 461 Sqm \$220,000

Great opportunity to acquire this great residential building site that is located in the private land estate named Springtime in Haynes. Design your home to take in the parkland views right across from this property. Bus Stop, both private and public schools, plus the new Haynes Shopping Centre is located a short walk away. How good is that? Great land value here - with quality established homes - come and have a look now.
