EMERGENCY PROCEDURES

GAS

GAS LEAK INSIDE PROPERTY BOUNDARY

Step 1: DO shut the gas emergency control valve in the meter box. If the smell of gas is inside DO open all the doors and windows to the outside.

Step 2: Ensure that gas appliances have not been left on by mistake without ignition

Step 3: If the smell does not clear, shut off the gas to the property at the mains

Step 4: Next business day contact property manager and report issue, report to be in writing to property managers email address for same day action.
